

Dear Owners/Residents,

The kitchenette at Movie Towers,

We are pleased to inform that the Movie Towers Kitchen has started functioning from Ugadi i.e. 22-03-2023.

M/s. Sere Hospitality Services has been identified by our owners. After due diligence M/s. S.H.S. has been accepted. M/s. S.H.S. has extensive experience of 20 years catering to Universities, Software Companies, and Pharmaceutical companies serving about four thousand (4,000) people and they are having a good organizational backup. M/s. S.H.S. has been brought in through the good offices of one of our owners and is under obligation since Movie Towers Kitchen is a very small business for him.

Further After discussions with owners with whose efforts M/s. S.H.S. has been identified; it has been decided to form a Kitchenette Sub-Committee. The Sub-Committee shall be working to help stabilize the Kitchen operations to provide the residents proper food facility.

The Kitchenette subcommittee members are:

1. Mrs. Meenakshi Verma owner of Flat D-704
2. Mrs. Madhuri Chintala owner of Flat A-901
3. Mr. Sriram Taduri owner of Flat D-1804

Therefore, we request all Owners & residents to liberally patronize the Kitchen and help to make it a success in the larger interest of providing a continuing food facility to the Movie Towers community.

Thank you
Regards,
Managing Committee
